Note:

1. The final project is due on **29 June 2001** by the end of the class (4.10 pm).
2. You may submit the project **earlier** but the peer review will only be carried out during the last class.
3. Upload your projects in your AFS space (or Geocities server). Remember to create a backup site.
4. Inform the instructor of your site's URL. If you do not do this, you will not get any marks.
5. Late work will be penalized 10% for each day after the deadline.
6. Bonus points will **not** be given for page elements not taught in this course (e.g. Java applets, Flash, etc). But you are free to use them if they are suitable.
